### Description

Creative Educational Centre-KEC is a youth non-profit organization that was founded in Novi Sad in December 2004 by a group of students of the University of Novi Sad. The mission of KEC is to provide an opportunity for young people from Serbia and Europe to actively change the world around them, to encourage them to be creative and spread new ideas about education and networking between local and global cultural patterns in order to create a better place for living. The objectives of KEC are: • to promote and encourage the active participation of young people in Serbia and Europe in all aspects of social life • to present Vojvodina and Serbia as part of Europe by promoting European values among young people • to promote communication, acceptance of diversity, tolerance, dialogue, mutual respect and understanding, (the fight against all forms of prejudice, racism and xenophobia) through the process of intercultural dialogue, youth exchanges and institution building. • organization of professional development, leadership and management development, and computer software and systems courses and trainings
